

The Avaya 4602/4602SW IP Telephone

Economical telephone can now also deliver the productivity benefits of SIP (Session Initiation Protocol) technology.

The Avaya 4602/4602SW IP Telephone is a flexible and economical communication device. It delivers the productivity and cost saving benefits of the Avaya Communication Manager IP telephony application directly to the desktop. It functions as an industry-standard SIP telephone, to support Avaya and other industry-standard SIP communication servers, and as a traditional IP telephone, working with Avaya Communication Manager.

Benefits:

- Simplified wiring connects to your IP network with 10/100 BaseT Ethernet LAN connection
- Multiple power options, including support for power over Ethernet LAN
- Investment Protection with upgrades via downloadable software

Easy, cost-effective migration from H.323 to SIP

- Operates with industry-standard SIP applications like the Avaya Converged Communications Server
- Integrates voice with multiple media
- Supports presence-aware real-time communications
- Optional access to additional Avaya Communication Manager station features
- Enable presence-based solutions to take advantage of existing infrastructures and installed base

Key Features:

- 2 Line Appearance/ Feature Keys automatically labeled on the display
- Listen-Only Speaker
- 10 Fixed Feature Keys: Transfer, Conference, Drop, Redial, Speaker, Message, Hold, Mute, and Volume Up & Down
- 2x24 Character Eurofont Display
- Multiple power options
- The 4602SW adds an integrated switch base (two 10/100 BASE T ports with auto-negotiation)
- 10/100 Base T Ethernet connections.
- Wall Mountable with included desk/wall mount stand.
- Message Waiting Indicator
- Downloadable software for future upgrade capability
- Hearing Aid Compatibility
- Icon button labeling with English printing on the housing
- G.711, G.729A/B Voice Coders
- QoS Options of UDP Port selection, Diffserv, 802.1p/q
- DHCP client and Statically (Manual) Configurable IP Addressing
- Microsoft NetMeeting® Compatible
